

THANK YOU!!!

About Dr. L. Carol Scott

Dr. L. Carol Scott is a trauma-informed developmental psychologist, TEDx speaker, and #1 International Best Selling author. Carol brings the SASS—Self-Aware Success Strategies to help you get along better on the adult playgrounds where you play. Her keynotes, workshops, and coaching focus on your success in those relationships that are most important in your life: family, friends, and coworkers. A nationally respected thought leader in early care and education (ECE), Carol is former president of the board for Child Care Aware® of America, and the ECE System Integration Consultant for Early Care Plus, a public benefit technology company revolutionizing access for all parents and caregivers to the ecosystem of ECE services.

The Heart of Early Learning

Can You Relate?

L. Carol Scott, PhD,
Texas School Ready Early Childhood Summer Institute

June 14, 2023

My Story, Birth to Three

In what city and state did you live?

What were the calendar years?

The adults who cared for you were...

Background details like class, where they grew up, education level, their ages, and basic descriptions e.g., at-home vs. working outside of home; job or career; type of emotional connector such as distant, warm, enmeshed; temperament.

Genders of siblings and years older or younger than you

Big changes, such as moved household, adults changed or had a job change or accident/illness, new baby born...

Continue the Learning

- Email me (carol@lcarolscott.com) with subject line “TSR2023”
- Receive 28-page “book-ette” – PDF overview of the SASS framework
- Join my mailing list and keep getting SASSy!

Competencies for RBPs

- Know how your family's cultural heritage affects your definitions of normality and abnormality, both personally and professionally.
- Increase your awareness of how your early family experiences influence the power dynamics of your interactions with others today.
- Demonstrate your increasing willingness to seek new knowledge and understanding.

FAITH as a SUCCESS STRATEGY for RBPs

POSITIVE CHILDHOOD EXPERIENCES

Ability to talk with family about feelings.

Felt experience that family is supportive in difficult times.

Enjoyment in participation in community traditions.

Feeling of belonging in high school.

Feeling of being supported by friends.

Having at least two non-parent adults who genuinely care.

- Brainstorm the Future of Early Learning
- Bag Skits at Staff Meetings or Trainings
- Carousel brainstorm curriculum ideas or classroom management strategies
- Group collage vision board mural for a shared goal

Awareness of Your Story

Relationship-Based Professionals (RBPs)

Self-Aware Success Strategies (the SASS)

TRUST – early infancy
INDEPENDENCE – toddlerhood
FAITH – young preschooler (3yrs)

For a Deeper Dive into the Success Strategy of Trust watch “*Trust in a New Relationship*” on my YouTube channel:
